Do-It-Yourself Brain Surgery And Other Implausibly Titled Books Joel Rickett

A hilarious illustrated sampling of the most baffling, improbably titled books ever sent to press.

The Diagram Prize is awarded by the *Bookseller* magazine each year to the book with the oddest title. Since its creation at the Frankfurt Book Fair in 1978, the Diagram has had some worthy winners, including *Bombproof Your Horse*, *How to Avoid Huge Ships*, and *People Who Don't Know They're Dead*.

And though these titles may seem like surefire winners, each year of this ingenious contest has seen stiff competition across all genres: fiction (*Fabulous Small Jews*, 2003); instructional (*Knitting with Dog Hair*, 1994); and even erotica (*The Big Book of Lesbian Horse Stories*, 2002). Last year's competition featured *I Was Tortured by the Pygmy Love Queen*—which came in *second*.

Here, collected for the first time, are the fifty best entries the Diagram has ever seen. Presented complete with their (equally outlandish) jackets, these books are memorable, perplexing, and riotously funny. A perfect gift for a book lover or anyone in need of a laugh.
