This hilarious travel guide follows critically acclaimed author Kevin Turner (*Bonjour! Is This Italy? A Hapless Biker's Guide to Europe*) on another ill-thought out adventure, as he aims his heavily laden Kawasaki northwards towards the towering waterfalls of Norway. Waterfalls done, Turner heads east on a long and treacherous 1700km journey towards St. Petersburg, passing through Sweden and Finland on route. With his sights firmly set on the Nürburgring at the end of his journey, Turner then heads westwards, crossing most of Poland and much of Germany on the long ride home. The author's observations and anecdotes transform this motorcycle guidebook into a laugh-a-minute page turner, which inspires and entertains in equal measure.
