Open your heart to the unforgettable March sisters . . .

Sensible Meg, hot-headed Jo, quiet Beth, and pretty Amy might be sisters, but they're not alike, and they don't always get along. But when the going gets tough, they know they always have each other. The beloved novel follows the life of the sisters during the Civil War. Based loosely on Louisa May Alcott's family, the story weaves together a beautiful portrait of 19th century life.
