Provenance: Tales from a Bookshop Anne M Scriven

Located in an old west of Scotland town, hanging on to its once proud identity with its fingertips, 'Cloisters Bookshop' functions as an oasis of culture and quirky authenticity. The glorious gallimaufry of scenes, sketches and stories assembled here arise from, and are shaped by, the bookshop's valiant setting and rich characters. Differing thus from other contributors to the genre, this will make you both smile and sigh and ultimately dissuade you of the belief that it is only bookselling that goes on in a bookshop.
