Scouting for the Reaper

Jacob M Appel

Scouting for the Reaper Jacob M Appel

Fiction. Named one of Kirkus Reviews' Best Fiction Books of 2014. Each of the characters in SCOUTING FOR THE REAPER faces an unanticipated challenge: transporting a truckload of penguins across the country, arranging a proper Jewish burial for the remains of Gregor Samsa, and selling tombstones dressed as a Girl Scout. These stories explore the domestic and professional adventures of people in over their heads, while leavening their struggles with humor.

"Jacob Appel's stories echo with secrets. There are the secrets we keep from those closest to us, of course. Our parents, our doctors, our clergy, our ex-wives and unrequited loves. Any run of the mill story has those. Good stories traffic in the kind of secrets we keep from ourselves. Why, for instance, what and who we love are so close in content and character to what we can't abide. Appel's that kind of trafficker. Even better, throughout this fine collection, he is most concerned with still another kind of secret: that which, when revealed, doesn't solve anything. Like the very best stories, they carry the mystery forward. Revelation, in the end, isn't an end at all. It's a beginning. SCOUTING FOR THE REAPER is full of such revelations. Here's hoping it signals the beginning of a long string of books penned by this talented polymath."—TJ Beitelman
