The Guermantes Way

Marcel Proust

The Guermantes Way Marcel Proust

After the relative intimacy of the first two volumes of **In Search of Lost Time**, **The Guermantes Way** opens up a vast, dazzling landscape of fashionable Parisian life in the late nineteenth century, as the narrator enters the brilliant, shallow world of the literary and aristocratic salons. Both a salute to and a devastating satire of a time, place, and culture, **The Guermantes Way** defines the great tradition of novels that follow the initiation of a young man into the ways of the world. This elegantly packaged new translation will introduce a new generation of American readers to the literary richness of Marcel Proust.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
