# Dating and Other Things Catholic: What Seminary Taught Me About Single Life

*John L. Antonio*

**Dating and Other Things Catholic: What Seminary Taught Me About Single Life** John L. Antonio Being Catholic is awesome. Sunday Mass and brunch is the best part of the week. However, does being Catholic help people make the small decisions in single life? What if the Vatican answered some really practical questions like, “Should I ask her to coffee or dinner? Is it time to move on from this job?” After 15 years of living a Catholic lifestyle as a seminarian and religious, John Antonio became a single young professional and found he had a lot of unanswered questions. Now, in his book, *Dating and Other Things Catholic*, he lifts the lid on a new Catholic way of life and shows that the Church does have something to offer singletons for the modern life challenges they face. With 6 inspiring chapters to read through, *Dating and Other Things Catholic* includes advice on the following: • How to leave it behind and move on • How to commit without freaking out • How to get in shape while you’re still single • And finally, subtle hints on, “What am I doing on this planet?” If you’re looking for an unconventional book on Catholic thought with practical advice, keep searching, but read this one first.
