Grandparenting: How to Meet Its Responsibilities Godfrey Harris

Grandparents have a civic responsibility to build better communities for themselves and future generations by using their experience and perspective to share views of important social values with their grandchildren. The book argues that grandparents have an inherent public obligation to involve themselves in how their grandchildren see and react to the world around them. Details dozens of different situations and special techniques to make the transmission of values social without having to seek anyone's permission, without interfering in how grandchildren are raised in the home, and without detracting from the pleasure give grandkids a worthwhile experience.
