## John Cook: Viennese by Choice, Filmemacher von Beruf (Austrian Film Museum Books)

Canadian-born filmmaker and photographer John Cook (1935-2001) was one of the key figures in the "Austrian New Wave" of the 1970s. A maverick, Cook almost single-handedly introduced a type of freewheeling auteur cinema reminiscent of both Italian neorealism and the works of the French *nouvelle vague*. This volume offers a German-language section of essays, interviews, and an annotated filmography, and a brief autobiography by Cook in English.
