Author Timothy Browne, MD offers a christian medical thriller with a message of redemption that takes the reader from the operating rooms of a trauma hospital in Memphis, to the sweltering jungles of Guatemala, to the unpredictable tyranny of North Korea.

Doctor Nicklaus Hart's best friend is found stretched over a sacrificial stone at the foot of the Temple of the Great Jaguar of Tikal, Guatemala--his heart removed. When Nick visits Guatemala looking for answers to his friend's murder he finds new meaning in his own life, as his skill as an orthopedic surgeon is quickly put to use addressing the mission hospital's overwhelming medical need. When Nick searches for answers to the slaying of his beloved medical missionary friend, his adventure to remote villages reveals a North Korean bioterrorist plot and soon Nick and his team's lives are in danger.
