Rule the Freakin' Markets: How to Profit in Any Market, Bull or Bear

Michael Parness, Kirstin Peterson

Rule the Freakin' Markets: How to Profit in Any Market, Bull or Bear Michael Parness, Kirstin Peterson

In 1988, Michael Parness followed a stockbroker's advice and lost nearly all of his nest egg of \$150,000. In 1999, he opened an online brokerage account and set out to get his money back. In fifteen months, he turned \$33,000 into \$7 million, started the online trading Web site "Trend Fund", and developed a trading strategy that delivers profits in both bull and bear markets.

In *Rule the Freakin' Markets*, Parness uses visual aids and practice exercises to show online traders and investors how to:

- Practice responsible trading techniques that maximize reward and limit risk
- Avoid the "Seven Deadly Sins Plus Fear" that block success in the market
- Protect investments no matter what the market does
- Understand how market technology drives daily and cyclical market moves
- Avoid the pitfalls of trading in cyberspace
- Recover and learn from significant losses
- Strategize and anticipate, rather than overreact or freeze, when change occurs
- And finally, live full and satisfying lives as traders

With its lively tone and refreshing approach to trading and investing, *Rule the Freakin' Markets* is an essential guide to profiting from today's turbulent market.
