#### The Story People Heather Kaufman

When Ben Palermo inherited his uncle s bookstore in small-town New Holden, Indiana, it was like stepping back in time. The nostalgia, however, is tainted by a painful past, one that Ben would rather leave behind. Can he stay in this town and run the business that holds so many conflicting memories for him? Or will he finally sell? When a group of well-meaning women make it their mission to keep him in town by finding him a wife, his life is about to get more interesting ... and complicated.

Rosemary is a children s author and illustrator with a painful history of her own. When she meets Ben, she is overwhelmed by his disarming charm ... and familiarity. But when a series of events casts Ben in a suspicious light and a persistent friend makes claims on her heart, Rosemary must discover the truth in order to finally reconnect with her past.

The Story People is a celebration of the connection forged when a book is opened, loved, and shared and the vision and purpose found when letting God use you wherever you are.
