Terry Gilliam

**Gilliam on Gilliam (Directors on Directors)** Terry Gilliam

**An intimate look at the films of Terry Gilliam, visionary director and animator**

Terry Gilliam is a famously candid commentator on his own work, and in these specially recorded interviews, he reflects on how his Midwestern childhood and early career as an animator--including his work as the only American member of Monty Python--prepared him to undertake his extraordinary adventures in cinema.

His films are distinctively dark, fantastic, and strangely hilarious. From the medieval mock-epic *Monty Python and the Holy Grail* to the mythic, paranoid worlds of *The Fisher King*, *Twelve Monkeys*, and *Fear and Loathing in Las Vegas*, Gilliam has pursued a totally personal, uncompromising vision. This has led to legendary battles with studios and financiers, notably over *The Adventures of Baron Munchausen* and *Brazil*, which is now widely considered a classic.

The book includes Gilliam's storyboards for the films--a unique glimpse at his creative process--along with his original cartoons and black-and-white photographs throughout.
