The Bible can be very clear...and very obscure. All of God's Word is valuable. But not all of it is crystal clear in its meaning. Here's a chance to glean wisdom from one of the most up-front, rubber-meets-the-road, meat-and-potatoes books in the Bible...James! This New Testament letter from the apostle (and earthly brother of Jesus) doesn't get any clearer--especially for your middle and high schoolers: So you say you have faith? Let's see it. Want Wisdom? Ask God. Love money? Prepare for Disappointment. Want Results? Pray. Get ready for 12 inductive, small-group Bible studies on what some believe is the most immediately practical guidebook for Christianity in all of Scripture. This complete curriculum includes-- --Your own, personal prep section because you know that your best teaching comes from your heart, not directly from a book. -- Not only plenty of face time with your small group members, but also frequent opportunities for solitary meditation. --Truly in-depth sessions with activity and discussion options galore to choose from. --The entire letter of St. James (NIV), ready for photocopying and handing out to your students--passage by passage, chapter by chapter, or in its entirety. Give your students intimate, detailed Bible studies filled with loving, passionate, even brutally direct principals--just the kind of practical, faith-affirming helps they can apply to their lives immediately. And you'll get it all in James: 12 Inductive Sessions on Practical Christianity.
