MacGillivray on Insurance Law is a classic work which deals with all insurance risks other than marine and takes account of the key legislative developments and judicial decisions. Considered the "insurance law bible", MacGillivray has maintained a high profile amongst insurance lawyers and the wider industry for almost 100 years. The supplement to the 11th edition will bring this well-regarded work up to date for the two years since the mainwork was published, to include the essential cases from the insurance sector which has been so fertile in recent years and which has been made part of the FSA's remit in the UK. The title is the keystone of the insurance law list at Sweet and Maxwell, and of the Insurance Practitioners' Library, being relied upon and cited in the courts as a trusted authority in insurance law.
