## Steering Through Chaos: Vice and Virtue in an Age of Moral Confusion

In this thoughtful, probing study, Os Guinness leads readers in an in-depth examination of the deadly vices. The reader will better understand the classic notion of virtue and vice and how these ideas connect to the Beatitudes. Presenting the truth of the Bible in the context of modern society, other faiths, and 3,000 years of history, Guinness analyzes the corruption of ethics in academia and popular culture to reestablish the deadly seriousness of vice in an age of moral confusion. This is the second in a series of six Trinity Forum studies which combine classical and current readings with provocative discussion questions. The Trinity Forum has been successfully using this material for over eight years in their private leadership forums.
