Three Cups

Mark St Germain

Three Cups Mark St Germain

Teaching children how to save, spend, and be charitable can be as simple as 1, 2, 3.

All parents want to teach their children good money habits from an early age. Many start by giving them an allowance. But it's equally important to teach children a positive, generous attitude as they learn to use money responsibly.

Filled with warm, memorable illustrations by award-winning painter, April Willy, *Three Cups* is the story of one family's unique and effective method of teaching personal financial management?and how one boy reaped first the small, then the immeasurably great rewards of the lessons he learned.

Families will be delighted with the heart-warming tale and want to integrate the three-cup system in their own children's lives.
