**True Faith and Allegiance: An American Paratrooper and the 1972 Battle for An Loc** Mike McDermott

*True Faith and Allegiance: An American Paratrooper and the 1972 Battle for An Loc* is an intimate and compelling account of the most brutal infantry warfare and is also a critique of the mishandling of America's departure from Indochina. An unintended consequence of Washington's stampede to get out of Indochina was an upsurge in combat on a scale not seen before in Vietnam, peaking with the Easter Offensive of 1972.

The battle for An Loc, a key component in the North Vietnamese attempt to overwhelm the South, swept Mike McDermott, then the senior advisor to an elite South Vietnamese paratrooper battalion, into some of the most horrific close-quarters fighting of the war. His in-the-trenches account is augmented by detailed descriptions of a user's perspective on the parachute resupply, tactical airpower, and B-52 strikes that allowed the An Loc garrison to survive.

*True Faith and Allegiance* is a riveting recounting of the prism through which a Vietnam veteran views the war as he continues to live with the aftereffects of life-altering experiences in the service of his country.
