By working with 'free lace' you are not tied to a sequence of working, there is no set spacing of pinholes or specific weight of thread - no rules at all. In 'free lace' you start by drawing the outline of the motif you want to make in lace, then let your imagination guide you. The book contains twentyfour modern projects, each with a finished photograph and pricking diagram. The projects use techniques from Duchesse lace and braids from Milanese lace.
