LOWCOUNTRY BOIL Susan M. Boyer

USA TODAY Bestseller and AGATHA AWARD Winner for Best First Novel FULL OF SIMMERING SUSPENSE AND INTRIGUE... "Imaginative, empathetic, genuine, and fun, Lowcountry Boil is a lowcountry delight." - Carolyn Hart, Author of What the Cat Saw "It's a simmering gumbo of a story full of spice, salt, heat and shrimp. She had me guessing, detouring for a few laughs then doubling back for another clue right until the last chapter." - The Huffington Post Private Investigator Liz Talbot is a modern Southern belle: she blesses hearts and takes names. She carries her Sig 9 in her Kate Spade handbag, and her golden retriever, Rhett, rides shotgun in her hybrid Escape. When her grandmother is murdered, Liz high-tails it back to her South Carolina island home to find the killer. She's fit to be tied when her police-chief brother shuts her out of the investigation, so she opens her own. Then her long-dead best friend pops in and things really get complicated. When more folks start turning up dead in this small seaside town, Liz must use more than just her wits and charm to keep her family safe, chase down clues from the hereafter, and catch a psychopath before he catches her. Praise for LOWCOUNTRY BOIL: "Plenty of secrets, long-simmering feuds, and greedy ventures make for a captivating read...Boyer's chick lit PI debut charmingly showcases South Carolina island culture." - Library Journal "Imaginative, empathetic, genuine, and fun, Lowcountry Boil is a lowcountry delight." - Carolyn Hart, Author of What the Cat Saw "Twisted humor has long been a tradition in Southern literature (maybe it's the heat and humidity), and Boyer delivers it with both barrels. In lesser hands, all the hijinks could be distracting, but not in Lowcountry Boil. Boyer's voice is so perky that no matter what looney mayhem her characters commit, we happily dive in with them. An original and delightful read." - Betty Webb, Mystery Scene Magazine "Lowcountry Boil avoids caricatured Southerners and pulls the reader in like the draw of a riptide with a keeps-you-guessing mystery full of romance, family intrigue, and the smell of salt marsh on the Charleston coast. A welcome visit home with people you want to know and, in some cases, are glad you aren't related to. A fun summer read!" - Cathy Pickens, Author of the Southern Fried Mysteries and Charleston Mysteries "Lowcountry Boil bubbles with all the ingredients of a great Southern mystery: A feisty firecracker of a main character, a magnolia-scented atmosphere, and pages full of simmering suspense and intrigue." -- Karin Gillespie, Bestselling Author of The Sweet Potato Queens' First Big-Ass Novel (with Jill Conner Browne) and the Bottom Dollar Girls series "Humor, a little romance, a charming location, and an intelligent detective with a few idiosyncrasies. Top it off with a murder mystery with a host of suspects. Lowcountry Boil might be Susan M. Boyer's first mystery, but it's an outstanding debut. Here's hoping Liz Talbot mysteries become a staple in the mystery field." - Lesa Holstine, Lesa's Book Critiques Books in the Liz Talbot Mystery Series: LOWCOUNTRY BOIL (#1) LOWCOUNTRY BOMBSHELL (#2) LOWCOUNTRY BONEYARD (#3) April 2015 Part of the Henery Press Mystery Series Collection, if you like one, you'll probably like them all...

Tammy Robinson:

Playing with family in the park, coming to see the sea world or hanging out with pals is thing that usually you may have done when you have spare time, then why you don't try matter that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love LOWCOUNTRY BOIL, you can enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't understand it, oh come on its identified as reading friends.

Joseph Mack:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this LOWCOUNTRY BOIL can make you sense more interested to read.
