Miller-Meteor is really the story of three companies - the A.J. Miller Company, the Meteor Motor Car Company, and Wayne Works. The only definitive book ever published on Miller-Meteor and its illustrious corporate predecessors, this tome is a multi-faceted history of three fiercely independent, yet interwoven, companies, the unique segment of the motor industry in which they were involved, their charismatic leaders and, most of all, their unique products. This volume showcases hundreds of never-before published original factory photographs.
