Panther in the Sun John Comfort

"An enjoyable read . . . renders an anxious excitement as the undeserved hardships of a single American family unfold. . . . Truly, a story with a viewpoint and tradition not often told: that of the American Indian."
--Chief Hatcher of the Waccamaw Tribe

After tragedy tears apart a Native American family, a father must endure harsh and unjust consequences and fight to find his children. We follow the separated lives of the father and his two sons as they make their way in an unforgiving and hostile world.

Panther in the Sun is a powerful story of courage, love, determination, and reconciliation.

John Comfort has drawn much inspiration from his grandfather, George Riser, whose ancestrally-diverse background includes Oglala Lakota Sioux bloodlines. George was an orphan, he endured great hardship during the Great Depression, and he fought as an elite Frogman in the island campaign of World War II.

The author lives in Bluffton, South Carolina with his wife and two sons.
