Revelation Verse by Verse (Osborne New Testament Commentaries) Grant R Osborne

Revelation is like no other book in the New Testament. Its bizarre images need explaining even for seasoned Bible readers, but when we turn to biblical scholars we find that they don't all agree.

In *Revelation Verse by Verse*, Grant R. Osborne offers a clear exposition of the book that takes seriously both its first-century context and what it means today. Where he disagrees with other interpretations of particular images, he briefly mentions them but remains focused on the text throughout. Rather than being a book that stirs up fear, Revelation is instead a hopeful and even devotional book, focused on the certainty of God's bringing his plans to completion, the futility of Satan and his plans, and the glory of the Lamb.

Revelation Verse by Verse is the first volume in the Osborne New Testament Commentaries, a new series from noted Bible scholar Grant R. Osborne directed toward pastors and committed laypeople.
