## **The Gold of the Gods** Erich von Daniken

Erich von Daniken, whose books have enthralled millions of readers around the world, now presents astonishing new confirmation for his revolutionary theories. Erich von Daniken's *The Gold of the Gods* unveils new evidence of an intergalactic "battle of the gods" whose losers retreated to, and settled, Earth. He explores a vast, mysterious underworld of Ecuador-caves filled with gold and writings in solid gold that go back to the time of the Great Flood, bolstering von Daniken's theory of a prehistoric earthly "era of the gods."
