The Journey to Purpose Eduardo Gomez

Every life has a final destination... The path we choose will set the course to the final outcome. In *The Journey to Purpose*, Eduardo Gomez strives to inspire people of all backgrounds to pursue a life of purpose. It is Eduardo's belief everyone was created for a reason, but the responsibility of that purpose rests within the individual. His philosophy on life is one that highlights the harshness of life, while understanding life will not cater to you or your feelings. In addition, Eduardo highlights the reality of "Death's time clock" to illustrate we have a limited time to accomplish the purpose for our lives. Death waits for no one and does not negotiate a timeframe for your departure of this world. Ultimately, it is up to us to make the conscious decision to choose to go after the things etched in our hearts to accomplish.
