Frances Wilson

**Guilty Thing: A Life of Thomas De Quincey** Frances Wilson

**A dynamic biography of one of the most mysterious members of Wordsworth's circle and the last of the Romantics**

Thomas De Quincey was an obsessive. He was obsessed with Wordsworth and Coleridge, whose *Lyrical Ballads* provided the script to his life, and by the idea of sudden death. Running away from school to pursue the two poets, De Quincey insinuated himself into their world. Basing his sensibility on Wordsworth's and his character on Coleridge's, he forged a triangle of unusual psychological complexity.

Aged twenty-four, De Quincey replaced Wordsworth as the tenant of Dove Cottage, the poet's former residence in Grasmere. In this idyllic spot he followed the reports of the notorious Ratcliffe Highway murders of 1811, when two families, including a baby, were butchered in their own homes. In his opium-soaked imagination the murderer became a poet while the poet became a murderer. Embedded in *On Murder as One of the Fine Arts*, De Quincey's brilliant series of essays, Frances Wilson finds the startling story of his relationships with Wordsworth and Coleridge.

Opium was the making of De Quincey, allowing him to dissolve self-conflict, eliminate self-recrimination, and divest himself of guilt. Opium also allowed him to write, and under the pseudonym "The Opium-Eater" De Quincey emerged as the strangest and most original journalist of his age. His influence has been considerable. Poe became his double; Dostoevsky went into exile with *Confessions of an English Opium-Eater* in his pocket; and Charles Dickens, Oscar Wilde, George Orwell, Alfred Hitchcock, and Vladimir Nabokov were all De Quincey devotees.

There have been other biographies of Thomas De Quincey, but *Guilty Thing* is the first to be animated by the spirit of De Quincey himself. Following the growth of his obsessions from seed to full flowering and tracing the ways they intertwined, Frances Wilson finds the master key to De Quincey's vast Piranesian mind. Unraveling a tale of hero worship and revenge, *Guilty Thing* brings the last of the Romantics roaring back to life and firmly establishes Wilson as one of our foremost contemporary biographers.
