The course of dream travel never did run smooth?at least, not in Liv Silver's experience. Able to visit other people's dreams (whether they want her to or not), Liv has solved mysteries, unearthed difficult truths, fought madmen, and escaped life-threatening peril, all from the comfort of her own bed. But Liv's troubles are just beginning...

A rocky romance, a malicious blogger with a hidden identity, a wedding, and a classmate (or two) dead-set on revenge all await Liv in this action-packed conclusion to the Silver trilogy.
