Staying With Me Diane McShane

Staying with Me: This powerful true story follows the journey of a mother and daughter whose strengths and love take them on a journey into an unaccepted world where they each have to break the bounds of societal expectations. When the mother decides she does not want to have chemotherapy she makes an end of life choice and her daughter must make a decision about allowing her mother to die alone. It opens the door to alternatives to dying a slow and painful death and shows there isn't just one way to deal with cancer and terminal illness, and that there are other options. They may remain in the shadows but they are there nonetheless and they are becoming more common. A profound and memorable story and one that is long overdue in being told and heard.
