Move over James Bond you've just met your match!

Hays Baker and his wife, Lizbeth, possess super-human strength, exceptional intelligence, stunning looks, a sex life to die for, and two beautiful children. Of course they do they're Elites, endowed at birth with the most advanced genetic enhancements available. Elites are the pinnacle of evolution; the triumph of man's ambitions. The only problem in their perfect world are the humans! And their toys!

Now comes the most unbelievable shock of Hays Baker's life. Suddenly he's on the other side of the gun, experiencing a life he'd never dreamed possible and fighting to save humans everywhere from extinction. And not only that. Hays and Lizbeth just might lose their perfect family.

James Patterson's "Toys" is a thriller on a hyper plane, with a hero to rival both Bond and Jason Bourne."

From reader reviews:

Mario Berry:

As people who live in the modest era should be change about what going on or details even knowledge to make these individuals keep up with the era and that is always change and progress. Some of you maybe will update themselves by looking at books. It is a good choice for you but the problems coming to you is you don't know what type you should start with. This Toys is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Dennis Bryant:

Information is provisions for anyone to get better life, information today can get by anyone on everywhere. The information can be a know-how or any news even an issue. What people must be consider any time those information which is from the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you receive the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen with you if you take Toys as your daily resource information.

Adam Schneider:

Spent a free the perfect time to be fun activity to accomplish! A lot of people spent their sparetime with their family, or all their friends. Usually they performing activity like watching television, likely to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? May be reading a book may be option to fill your free time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to attempt look for book, may be the book untitled Toys can be very good book to read. May be it might be best activity to you.

Mary Gilbert:

This Toys is great book for you because the content that is full of information for you who also always deal with world and have to make decision every minute. This particular book reveal it details accurately using great coordinate word or we can claim no rambling sentences within it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but challenging core information with splendid delivering sentences. Having Toys in your hand like obtaining the world in your arm, facts in it is not ridiculous just one. We can say that no guide that offer you world throughout ten or fifteen small right but this book already do that. So , it is good reading book. Hey Mr. and Mrs. hectic do you still doubt which?
