## **Photographer's Guide to Ohio: Volume 2** Ian Adams

Ian Adams is perhaps the best-known landscape photographer in Ohio, and in the first volume of *A Photographer's Guide to Ohio*, he shared his knowledge of what to photograph in the Buckeye State and how to photograph it. Now, in this second volume, Adams expands on his previous work, adding over 120 natural features, scenic rivers and byways, zoos and public gardens, historic buildings and murals, and even winter lighting displays to the list of places to visit and photograph in Ohio. In addition to advice on photographing landscapes, he offers tips for capturing excellent images of butterflies and dragonflies.

Recognizing the rapid development of new technologies, Adams includes pointers on smartphone photography, lighting and composition, digital workflow, and sharing images across a variety of platforms. The book is illustrated with more than 100 color photographs.

Comprehensive and concise, these two volumes make up a travel and photography guide to almost 300 of Ohio's most noteworthy and beautiful outdoor places.

### From reader reviews:

#### **James Crow:**

What do you about book? It is not important with you? Or just adding material when you need something to explain what the one you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every individual has many questions above. They have to answer that question simply because just their can do this. It said that about publication. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this particular Photographer's Guide to Ohio: Volume 2 to read.

#### **Cynthia Bryant:**

Playing with family within a park, coming to see the marine world or hanging out with buddies is thing that usually you might have done when you have spare time, then why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Photographer's Guide to Ohio: Volume 2, you may enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't understand it, oh come on its called reading friends.

#### **Clayton Bruce:**

What is your hobby? Have you heard that will question when you got learners? We believe that that question was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person including reading or as studying become their hobby. You have to know that reading is very important and also book as to be the issue. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You will find good news or update about something by book. Different categories of books that can you decide to try be your object. One of them are these claims Photographer's Guide to Ohio: Volume 2.

#### **Nancy Brown:**

Some people said that they feel fed up when they reading a guide. They are directly felt the idea when they get a half areas of the book. You can choose the particular book Photographer's Guide to Ohio: Volume 2 to make your reading is interesting. Your own skill of reading ability is developing when you similar to reading. Try to choose straightforward book to make you enjoy to see it and mingle the sensation about book and reading through especially.
