Sirena Selena: A Novel Mayra Santos-Febres

Discovered by Martha Divine in the backstreets of San Juan, picking over garbage, drugged out of his mind and singing boleros that transfix the listener, a fifteen year old hustler is transformed into Sirena Selena, a diva whose uncanny beauty and irresistible voice will be their ticket to fame and fortune. Auditioning for one of the luxury hotels in the Dominican Republic, Selena casts her spell over Hugo Graubel, one of the hotel's rich investors. Graubel is a powerful man in the Republic, married with children. Silena, determined to escape the poverty and abuse s/he suffered as a child, engages Graubel in a long seduction in this mordant, intensely lyrical tragi-comedy - part masque, part cabaret - about identity (class, race, gender) and "the hunger and desire to be other things."

From reader reviews:

Erica Clark:

As people who live in typically the modest era should be up-date about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice in your case but the problems coming to a person is you don't know what one you should start with. This Sirena Selena: A Novel is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

Lawrence Weatherby:

Information is provisions for those to get better life, information today can get by anyone in everywhere. The information can be a information or any news even a huge concern. What people must be consider when those information which is within the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one the resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Sirena Selena: A Novel as your daily resource information.

Ollie Johnson:

As we know that book is significant thing to add our understanding for everything. By a reserve we can know everything we would like. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year had been exactly added. This e-book Sirena Selena: A Novel was filled with regards to science. Spend your spare time to add your knowledge about your scientific research competence. Some people has various feel when they reading a book. If you know how big selling point of a book, you can truly feel enjoy to read a e-book. In the modern era like today, many ways to get book which you wanted.

Brian Paige:

A number of people said that they feel bored when they reading a book. They are directly felt that when they get a half portions of the book. You can choose typically the book Sirena Selena: A Novel to make your own reading is interesting. Your own personal skill of reading skill is developing when you such as reading. Try to choose very simple book to make you enjoy to read it and mingle the impression about book and looking at especially. It is to be first opinion for you to like to start a book and go through it. Beside that the publication Sirena Selena: A Novel can to be your new friend when you're sense alone and confuse with the information must you're doing of this time.
