Where the Law Is: An Introduction to Advanced Legal Research (American Casebooks) (American Casebook Series) J.D.S. Armstrong, Christopher A. Knott

This newly updated law school textbook and course reference is designed specifically for advanced legal research classes and for upper-level students who want to achieve a better understanding of how to use the sources of legal information that they learned about in their introductory courses. It provides in-depth guidance through the research process, advice on format selection, and detail about the tools and techniques needed to function as skilled legal researchers. Up-to-date discussion of all media is fully integrated throughout, focusing on the types of information the researcher needs, rather than on descriptions of particular information products.
