Arthurian Literature IX (Vol 9)

Arthurian Literature IX (Vol 9)

This collection of new essays on Arthurian themes contains one on Layamon, two on Chretien, and one on Victorian art. They are as follows: Oliver Goulden, 'Erec et Enide': The Central Section The opening and closing sections of Erec et Enide have always attracted critical attention: Dr Goulden argues that the central section, often neglected, is crucial to our understanding of the poem. Claude Luttrell, The Arthurian Hunt with a White Brachet: The theme of the hunt with a magical hound is found from the Mabinogion to Malory, and this essay charts its gradual change from the supernatural. W.R.J. Barron and Françoise Le Saux, Aspects of Layamon's Narrative Art: Layamon's Arthurian epic has been regarded as little more than a lively translation of Wace, here his different approach to narrative is examined, and shown to be an original aspect of his work. Christine Poulson, Arthurian Legend in Fine and Applied Art of the 19th and early 20th Centuries: A Catalogue of Artists: Following the bibliographies of modern Arthurian writing in earlier volumes, Dr Poulson presents a catalogue of visual materials. A list by subject will appear in Volume X.
