## **Ireland (World Travel Map)** Barry Winkleman

Extending from the western shores of the British mainland, this sheet map covers all of Ireland. Land heights and sea depths are shown by a system of layer colouring overlain with much additional detail, including spot heights and named summits. Up-to-date communications are covered. There are four levels of road classification, plus railways, local and international airports, car and passenger ferry routes and ports. Permitted border crossings are also included.
