Adding Fireworks to your site has never been so easy. If you'd like to use Macromedia Fireworks to streamline your Web-graphics chores, pick up a copy of **Macromedia Dreamweaver 4 Fireworks 4 Studio: Training from the Source**, a short course in this powerful package, based on Macromedia's own training programs.

For a fraction of the cost of the classes, you get the same manageable, step-by-step lessons. Better yet, you can work at your own pace, and you don't have to wade through technical jargon or esoteric theory. Instead, the book focuses on how to use Fireworks in a real-world environment, giving you professional techniques you can easily adapt to your own work. A special chapter on integrating Fireworks with Dreamweaver shows you the best and most efficient way to use Macromedia's Web-development programs together. The CD-ROM contains all the files you need to work through the lessons, plus final versions of the projects with which you can compare your own results.
