The Complete Florida Beach Guide (Wild Florida)

MARY BURNHAM, BILL BURNHAM

The Complete Florida Beach Guide (Wild Florida) MARY BURNHAM, BILL BURNHAM

Florida has nearly 400 beaches--more than one for every day of the year. *The Complete Florida Beach Guide* is the ultimate companion for anyone planning a two-week vacation or an afternoon getaway.

Mary and Bill Burnham have visited each and every beach listed in their guide. Arranged by region, each listing provides directions, parking availability, hours, facilities (restrooms, showers, picnic shelters), fees, and contact information. They also tell you whether the beach is handicap accessible, pets are allowed, or lifeguards are present.

The Burnhams describe the condition of the sand and let you know if you'll have good luck hunting for shells. Information on nearby concessions, nature trails, nightlife, and opportunities for camping, fishing, kayaking, and beach driving is also provided. There's even a bit of natural history--how the beaches formed, what plants and wildlife you'll find--and helpful information about beach conservation and safety.

Whether your tastes run to family-friendly or clothing-optional, the Burnhams will help you find the beach that's right for you.
