"Tidings of Victory," is the fourth volume in the Jonathan Kinkaid nautical/historical fiction series, where our daring American Navy Captain and his seagoing patriots take the news of our great victory over the British at Saratoga to Benjamin Franklin in Paris. The plot thickens when Kinkaid is reunited with characters from the first two novels. Filled with spies and saboteurs, intrigue and villainy, this masterfully written tale is another triumph of high-seas adventure in the Winston style, as a more confident and newly married Kinkaid wrestles with his own demons as well as enemies of the cause. Giving the reader everything you loved about the first three novels, from the sound of booming cannons in ship-to-ship battles to a bold rescue mission of American seamen from an English prison, this is a fast-moving tale that reaches a brilliant and unexpected conclusion.
