## **7 Tools for Cultivating Your Child's Potential** Zan Tyler

God created the family to be a powerful, life-shaping force in the lives of our children to be the place where their potential can be energetically and effectively nourished and cultivated. Sadly, in today's culture, kids and parents alike often treat the home as the spot to recharge their cell phones, change clothes between activities, and crash at night. It's time we moved beyond the status quo and learned to use the tools the Master Gardener has provided for tending our homes and teaching our children. Zan Tyler will help you recognize the signs of potential in each of your children, signs that are easy to miss yet are ripe for cultivation. As you read, you will find exciting ways to enable your kids to establish a godly identity, discover their purpose, develop a biblical worldview, and build leadership and communication skills.
