Lake Tahoe: A Fragile Beauty

Thomas Bachand

Lake Tahoe: A Fragile Beauty Thomas Bachand

Thomas Bachand's stunning photographs of Lake Tahoe capture the sublime allure and fragility of this beloved leisure destination. Bachand's images document a gorgeous, and changing, environment; as hundreds of thousands of visitors flock to the region each year, environmental researchers work tirelessly to preserve the ecosystem for future generations. Bachand's work reveals the delicate balance between conservation and recreation, as images of both majestic landscapes and development are juxtaposed. Dr. Charles Goldman, Director of the Tahoe Research Group at UC Davis and a leader in the efforts to preserve Lake Tahoe, introduces this picturesque and thought-provoking volume.
