The Gathering Edge (Liaden Universe®) Sharon Lee, Steve Miller

A series milestone as we welcome the **twentieth** amazing entry in the nationally best-selling Liaden Universe® series.

The luck runs rough around Theo Waitley. Not only are people trying to kill her and capture the self-aware intelligent ship *Bechimo* to whom Theo is bonded, they're also trying to arrest her crew members, and throw the dignity of an important passenger, the duly-constituted noble ambassador Hevelin, into question.

No wonder Theo and her crew felt the need of a break, and retired to what *Bechimo* refers to as "safe space." Unfortunately, safe space may not be so safe, anymore. It seems that things are leaking through from another universe, and another time. In fact, *whole spaceships* are coming through. One of those ships is a blasted battleship seemingly fleeing a long-lost war. What's more, its crew may be members of Theo's ancient ancestral line—her relatives. It's certain that they are in dire need of help. Theo has a choice to make. It seems that *Bechimo's* "safe space" is about to become deadly perilous.
