Traditional Tokyo

Atsushi Azumi

Traditional Tokyo Atsushi Azumi

There are no words large enough to encompass a generalization about the vastness of twentieth-century Tokyo, but in this book Atsushi Azumi delves beneath the postwar facade of concrete and steel. He seeks and finds a still flourishing heritage of traditional culture that has survived since the days when Tokyo was the small seacoast town of Edo. Unforgettably illustrated by the photographs of Hiroshi Kaneko, family customs, religious ceremonies, and ancient fairs are recorded throughout a Tokyo year of tradition and color. The traditions of Tokyo cling tenaciously to life despite increasing modernization and the strong influence of the West. Temples destroyed by earthquakes and war rise again with modern concrete buildings sheltering the old festivals and customs. The casual visitor or even the long-time resident may imagine that the traditions of the Edo era are only a pleasant memory, but Atsushi Azumi and Hiroshi Kaneko have assembled fascinating evidence that the spirit of traditional Japan is winning the struggle for survival in the world's greatest city.
